

# TEST YOUR IDEAS ON THE ROSKILDE AUDIENCE

BECOME A PART OF ROSKILDE FESTIVAL 2011 WITH YOUR VERY OWN PROJECT

By participating in Roskilde Festival Entrepreneurs (RFE) you'll gain a lot of entrepreneurial knowledge and have great experiences.

RFE encourages all students from a higher education to find your inner entrepreneur and develop your best ideas.

The students with the most innovative, creative and visionary ideas will be chosen to participate in a series of workshops, get professional counseling and ultimately the opportunity to use Roskilde Festival 2011 as their testing ground!
