

Power your future, take action!

2nd April 2011 [Stardust-CBS](#) will host the biggest event in student entrepreneurship this year! **Matchmingle** will bring 160 university students from all over the country to Porcelænshaven, Frederiksberg.

Matchmingle will break down barriers between universities, and the students in them, by creating a forum for the students to meet, learn and share their ideas. Hopefully a lot of people will leave Matchmingle, having met people they can team up with on an idea. The day is packed with activities, speakers, inspirational keynotes, and end with a three course dinner included beer and wine.

Be one of 160 students from all over the country to participate! Hurry up and visit www.matchmingle.dk to get your ticket!
